Follow these steps to get an estimate !

- Step 1: Locate a pencil, measuring tape & ruler.
 - Step 2: Using the space below, roughly draw the shape of your countertop space.
 - Step 3: Using your tape measure, measure in inches the dimensions of all the countertop space you would like surfaced. Put the measurements on your rough drawing as you go. Please indicate the approximate location of any required cut-outs for undermount or drop-in sinks, drop-in cooktops, etc. (See page 2 for example.) If you would like a backsplash, please indicate where you would like it by drawing a dotted line along that length of the countertop.
 - Step 4: For an ESTIMATE, bring your drawing into Columbus Counter Solutions and we will be happy to quote your project.
- The final purchase price of your countertop will be determined after a complete on-site measurement of your countertop space.

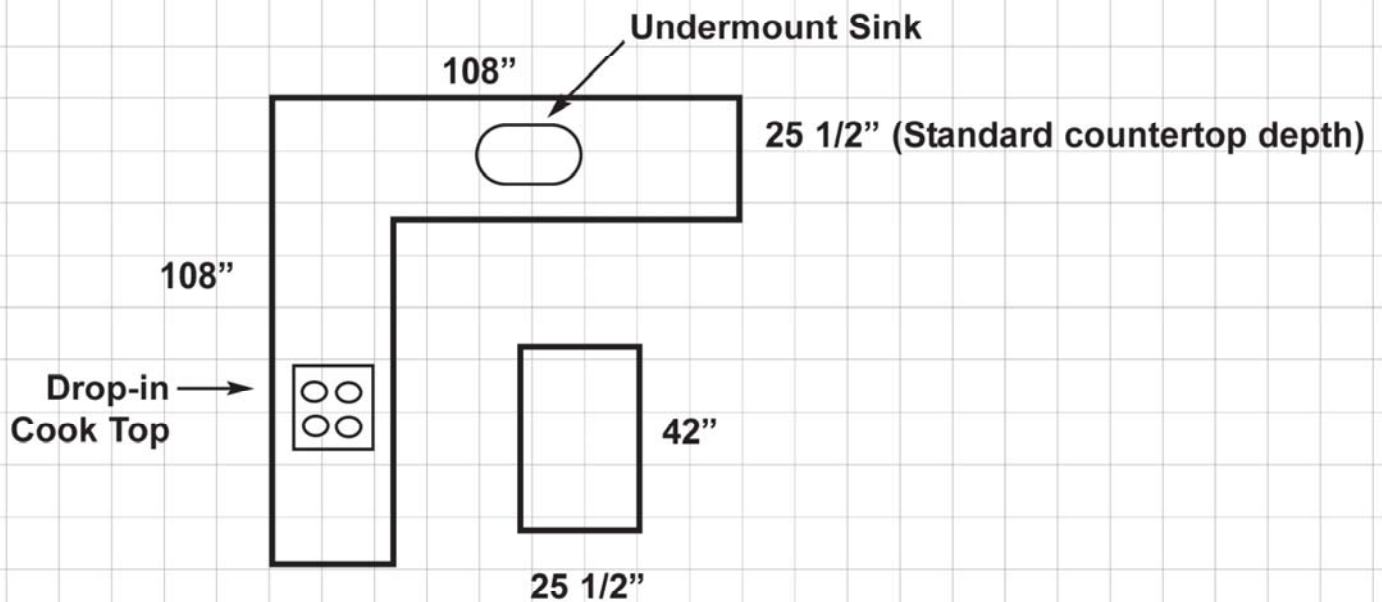

GRID WORKSHEET
